Firka Development areas in Hosdrug Sub-taluk.

A Further to my letter No.6535 F/52-1 dated 7-11-52 the
Superintending Engineer, Pykara Electricity System has since
reported that the major proposal for extension of supply from
Cannanore to Payyanur cum Nileswar Khadi Centre contemplates
supply to Taliparamba, Pariyaram, Payyanur, Elimala, Palayangadi
and Karivellur in Malabar District and Trikaripur, Chervathur,
Nileseshwar, Kanhangad and Ajanur in South Kanara District. Since
Hosdrug is situated in between Kanhangad and Ajanur, supply is
contemplated to Hosdrug also. Supply is contemplated to some
of the villages mentioned above which are situated in Hosdrug
area.

2/ The major proposal is awaited from the Superintending
Engineer, Pykara Electricity System and the proposal will be
forwarded to Government for sanction, if in order, soon after
technical scrutiny.

para: 1 p. 2c-f
para: 1 p. 11c-f

Please see the Legislative Assembly Question on p.l.c.f. The question is starred and as such supplementary questions may be put. An advance copy of the question has already been circulated to M.(P.W.) for information. The two clauses of the question are examined below:

2. Clause (a) - whether there is any proposal to extend the Pykara electric power to the firka development areas in Hosdrug sub-taluk of South Kanara District:

The following villages in the Hosdrug sub-taluk of the S. Kanara Dt. have been included in the Firka Development scheme:

1. Tricarpur North and South.
2. Maniyat
3. Pilicode
4. Nileshwar I and II
5. Chervathur I and II.

The C.O.E.(S) has reported that a major ten years scheme for extension of Pykara power from Cannanore to Payyanur-cum-Nileshwar Khadi Centre in Malabar/ South Kanara Dts. is under finalisation by the S.E., Pykara Elec. System and that the above extension contemplates supply to Taliparamba, Pariyaram, Payyanur, Elimala, Palayangudi and Karivellur in

4
Malabar Dt. and Trikapur, Chervathur, Nileshtar,
Kanhagad and Ajanur in South Kanara Dt. He has
also stated that since Hosdrug is situated in between
Kanhagad and Ajanur, supply is contemplated to
Hosdrug also. Hence it is seen from the report of the
C.O.E.(S) ^{that the} the scheme contemplates the extension of
electricity to the villages included in the firka
development areas in Hosdrug sub-taluk except Maniyat
and Pilicode villages. Hence, the answer to the clause
may ~~generally~~ be in the affirmative.

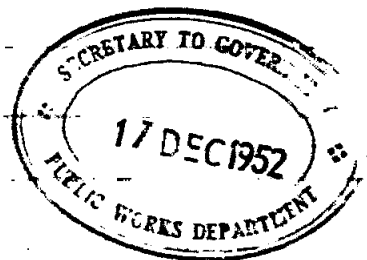

3. Clause (b) of the question - whether
investigation has been undertaken and stage in which
the proposal is now lying?

The C.O.E.(S) has reported that the proposal
is awaited from the S.E., Pykara System, and that it
will be sent to the Govt. for sanction, if in order,
after technical scrutiny. Hence the answer to the
clause may be --

^{being formulated}
"The proposal is under finalisation in the
Government Electricity Department."

4. It is presumed that no further information
is necessary. Subject to approval, a draft answer is
put up. Paras 2 and 3 above may be given to M.(P.W.)
for answering supplementaries if any.

5. The file may be circulated to M.(P.W.) for
approval of the draft answer.
